Unchecking will remove the product being included in the quote sent to the customer.

Whenever the admin first opens he quote, the date will be defaulted as a date 7 days after the first opening date and will remain the same.

DAYS will be defaulted for all rented items as the difference in days between Delivery and return date for rentals

 The INR option will show

Percentage will be calculated on the CHECKED items only.

SAVE will be enabled as soon as any input is made in the form
 SAVE & SEND QUOTE TOO will be enabled given that there is a minimum of one product that is checked (default all will be checked)

Refundable security deposit will only be for rented items. In case of no rented items, the columns and row will not show.

The default conversion rate will be pulled from currency module.
 For currencies whose conversion is not given, before viewing this screen, the conversion rate will be asked.

Quote Expiry Date <input type="text" value="12.12.2019"/>								Save & Send Quote	Save		

The QUOTE EXPIRY DATE here will change to the date 7 days ahead of when the quote is opened after being referred back.

- From here, the quote will function the same as when it was first received. Once sent again, it will move to AWAITING REPLY stage. In the awaiting reply stage the STATUS will be AWAITING REPLY and referred back reason and notes will not be visible (except for in History).
- If instead of SAVE AND SEND, SAVE is clicked, then it will remain under REFERRED BACK tab only.
- MODIFY REQUEST will take the user to the flow of modifying and updating quote.

- All the rental items that have been delivered to the customer but not received back will show here. Once an ORDER IS COMPLETED, all items that are marked under RENT in the order will show here.
- Once received back, the user can manually change the status to received back.
- If not received, the user can manually change status to Security Charged
- Clicking on either will ask for confirmation
- Rental receivable dates that are of the past will show in red
- Default sort will be ascending order of receivable date
